This booklet contains information about the City of Greater Geelong's Positive Ageing Grants. Please read it carefully before you apply.

Important words are explained at the back of this booklet (page 15).

THE CITY OF GREATER GEELONG COMMUNITY GRANTS

A grant is money given to a person, group or organisation for a specific purpose.

Our Community Grants help turn your idea into reality. Whether you're looking to purchase new equipment, offer group activities, run a community event, create an inspired arts project or upgrade facilities, funding is available.

You can apply for other City of Greater Geelong Community Grants, but only if your new application is for a different project, event, or activity.

Please do not submit the same application for more than one grant.

You may request up to \$1,000.

You can only submit one application per funding round to this grant.

HOW WE ALLOCATE FUNDING

Our grants are competitive, so even if you meet the criteria, you may not get funding.

You cannot rely on the City's Community Grants for ongoing funding.

We typically fund projects only once. However, we may consider funding a project again if there is a strong reason that aligns with the objectives of this grant.

In some cases, we may offer partial funding for a smaller or modified project.

What you can apply for

To help you work out whether your project is the sort of thing we are looking to fund, we have developed the following list of example projects and costs we might cover.

Your grant activity must take place within the City of Greater Geelong. We are looking to support activities that are available for everyone aged 55+ to enjoy at low cost.

How we assess applications

We carefully check all applications to make sure they meet the guideline rules and are a good use of the City's grant funding.

The complete list of checks we do on each grant application include:

- **Eligibility checks** – we check if the applicant and project are eligible (see pages 4 and 6).
- **Officer panel assessment** – if eligible, our officers assess (or review) the application using the grant assessment criteria listed in these guidelines and the priorities for funding on pages 7 and 8.
- **Executive review and endorsement** – A City Executive reviews and endorses funding recommendations.

ASSESSMENT CRITERIA

Applications are scored using a weighted system. The higher the percentage next to each criterion, the more influence it has on your final ranking.

Criteria 1: Community Impact – 70%

How we will assess this:

- The activity/event delivers one or more of the following:
 - increases physical activity
 - promotes mental health and wellbeing
 - increases social connections
 - recognises and celebrate achievements
 - supports positive ageing
 - provides opportunities for intergenerational activities
- How your activity is inclusive and accessible e.g. people of all abilities, genders, social, economic and cultural backgrounds.

Criteria 2: Well Planned Project – 30%

We assess this based on:

- A clear and achievable promotional plan, or a list of tasks and timelines.
 - Demonstrated skills and knowledge within your team to successfully deliver the project.
 - An understanding of required permits and approvals.
 - Evidence the proposed venue or location is suitable and available (e.g. a venue booking form).
 - We assess this based on: A balanced budget where total income equals total expenditure, detailing all project costs and any other funding sources.
 - Project cost evidence: to show how much your project will cost, you must provide any of the following:
 - Supplier quotes – Must include the supplier's business name, ABN/ACN, and contact details.
-

– Screenshots from online stores – Must show the item description, price, and supplier name.

– Contractor costs – Quotes from contractor based on industry rates or standards

If you do not provide quotes or estimates, you may receive a lower score for this criterion, or the cost may be removed from the grant funding.

FUNDING PRIORITIES

If the total funding requested by all applicants exceeds the available funding, we may prioritise:

- Applicants who did not receive money from this grant in the previous year.
- Applications from organisations that do not receive money from electronic gaming machines or gambling.
- Applications that meet two or more of the grant objectives to:
 - Increase physical activity
 - Promote mental health and wellbeing
 - Provide opportunities for intergenerational activity
 - Increase social connections
 - Recognise and celebrate achievements
 - Support positive ageing

IF YOUR ORGANISATION IS NOT INCORPORATED

If your organisation or group is not incorporated, you can still apply for a grant by working with an auspice organisation.

An auspice is an organisation that meets our eligibility criteria and agrees to support and manage your grant. They take legal and financial responsibility for the funding.

Your auspice organisation will:

- sign the grant funding agreement.
- receive the grant money and pass it on to you.
- make sure all grant activities are completed.
- submit the final evaluation and financial report on your behalf

How to apply with an Auspice

If you want to apply with an auspice organisation, you must:

- get their approval before you submit your application.
- ask them to sign the application form and the funding agreement.

By using an auspice, your group can still access funding even if you are not legally incorporated.

What happens next

Once we have decided who is going to receive a grant, we will let you know of the outcome of your application, even if it was unsuccessful.

NOTIFICATION OF OUTCOME

The City of Greater Geelong will notify all applicants of their outcome by email by the date listed on page 4 of this booklet.

Successful applications

If your application is successful, this does not guarantee funding. You must complete additional steps before receiving a grant payment.

- You will receive an email with a link to a funding agreement outlining the terms and conditions of the grant (see **Funding Agreements** section below).
- You must sign and return the agreement, upload a tax invoice and your public liability insurance certificate of currency before any payment is made.
- Do not start your project until you have received a signed funding agreement.

Unsuccessful applications

If your application is unsuccessful, we will notify you by email.

You are strongly encouraged to contact us for feedback which may help if you plan to apply again in future rounds.

PAYMENTS

If your application is successful, the City will transfer the approved funding amount to your nominated bank account after the grant agreement is signed.

We will only pay grant money to the applicant (or auspice).

A tax invoice is required before we pay any grant funds. Our team will contact successful grant applicants to arrange this.

If you do not provide either an ABN or a 'Statement by a Supplier' form, we may have to withhold tax from the grant payment at the top marginal rate of 45%.

FUNDING AGREEMENTS

Successful grant applicants will be required to enter into a funding agreement. The agreement will include:

- a. the terms and conditions of funding
- b. the details of the activity
- c. what you are expected to deliver
- d. your reporting requirements and

General information

The following information applies to all City of Greater Geelong grants.

FIRST NATIONS

Important: For any proposals with a First Nations theme you are strongly encouraged to contact the Community Grants Unit to ensure you have engaged with First Nations Communities and understand any requirements under the *Aboriginal Heritage Act (2006)*.

PERMITS AND APPROVALS

Some projects or events may need a permit or approval. These processes are separate to the grant application process and require additional time and budget in your project plan.

While you do not need to secure permits or approvals before applying, securing them will be a condition of the grant if your application is successful. As such, we may choose not to pay you any money until the relevant permits and approvals are secured.

You must demonstrate that you are aware of the necessary permits and approvals in your application. We will consider this information when assessing your application under the 'well-planned project' criteria on page 7.

INSURANCE

You must arrange public liability insurance (PLI) to cover the activity detailed in your application and submit your PLI certificate of currency with your funding agreement, if your application is successful.

Applicants using an auspice would include a PLI certificate from the auspice organisation.

A policy statement or receipt of payment is not an acceptable substitute for the certificate of currency.

REPORTING

If you receive a grant, you must submit an evaluation of your activity and a financial report within one month of your project finishing.

The evaluation report tells us about your activity and the financial report includes all income and expenses for the grant. It demonstrates you have spent the money how you said you would.

We may request meetings with you to check your progress or ask for an audit of your financial records to prove you have spent the grant as you said you would. As such, you must keep accurate financial records and make them available to us if requested.

MAKING CHANGES TO YOUR FUNDED ACTIVITY

Projects are funded for delivery as described in your funding agreement.

If you need to change something about your grant, you must seek our approval in writing. This includes:

- changes to your proposed completion date
- changes to the nature of your activity
- changes to how you want to spend the money.

We reserve the right to withdraw funding if:

- we do not support your request for changes
- your request is not made within a reasonable timeframe
- you make changes without our knowledge.

If a project stops or the grant funds are no longer required, you must repay the funding to the City of Greater Geelong.

WITHDRAWING FUNDING

We reserve the right to withdraw funding if we do not receive a tax invoice within the financial year in which the grant was awarded, or by the due date/s included in the agreement.

We can also withdraw funding if you are in breach of your funding agreement.

ACKNOWLEDGING OUR SUPPORT

You must acknowledge the City of Greater Geelong on your promotional materials if you receive a grant.

We will provide a guide with detailed instructions on how to do this.
